

# U·S AIRWAYS CENTER SAFETY AND SECURITY

## SAFETY HABITS

Leave your seat location information with someone at home in case they need to get a hold of you.

Coolers, backpacks or large bags of any kind will not be permitted in any facility.

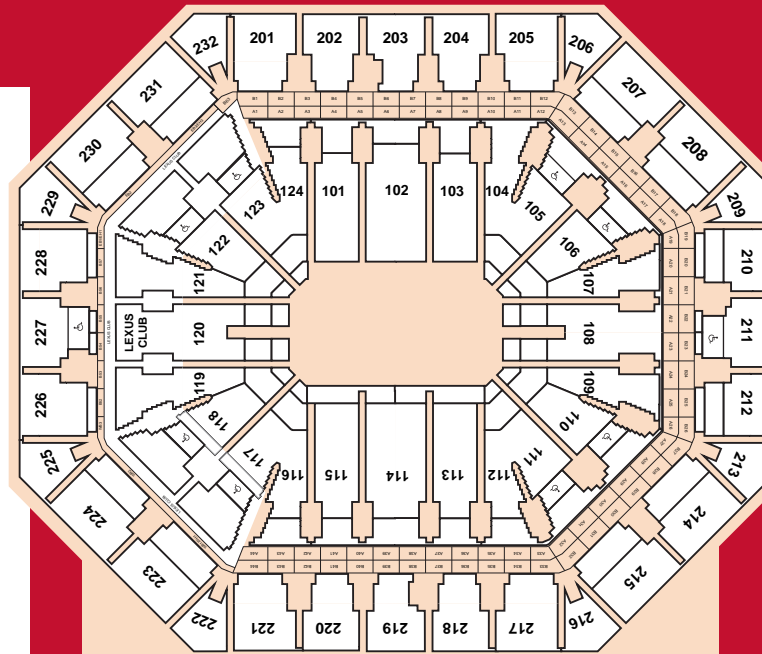

If you have a planned party that includes gifts, please leave the gifts unwrapped until they have been inspected or place the unwrapped gift item in a gift bag. Our security staff will ask guests to open any wrapped items. Security staff will ask that prohibited items be taken back to your vehicle or be thrown away. These items will not be stored at any entrances or Guest Relations.

Report any suspicious activity or unattended bags to the nearest security officer or usher.

Locate your TWO nearest exists, in case one of them is obstructed upon exit.

Establish an outside meeting point for the members of your party in case you are separated from each other.

Wear something bright or recognizable in case you are separated from your party. In the event of an evacuation, wait for an announcement and follow the directions.

## HELP US HELP YOU

This brochure is intended to assist our staff and you, our guests. We want you to enjoy the games and events at our facilities in the safest possible manner. We hope that, by providing you with this information, you will be more aware of your surroundings and feel more comfortable attending events.

Also, be assured that our organizations are in constant communication with local, state and federal authorities concerning safety and security matters. In addition, there is an increased uniformed law enforcement presence at our facilities. Your safety and security is of the utmost importance.

Should you have any questions or comments, please contact us at the following numbers:
